included in the Art and Stitch Library*

### Copyright information

The artwork included in the Art and Stitch Library is copyrighted by Loes and Theo van der Heijden, Netherlands. The designs in the Designers Collection are copyrighted by the artists who contributed these designs to the Art and Stitch Library.

You are allowed to use the included vector artwork to create quilt / embroidery patterns and use those on as many quilts and garments as you like, using a (computerized) longarm system.

The copyrighted designs from the Library may **not** be used for mass production of quilted products.

You are not allowed to share the included artwork in any quilt format, embroidery machine format or vector art format. The included artwork may not become part of a quilt pattern collection or embroidery design collection to be shared or sold.
